

2024-2025 EĞİTİM ÖĞRETİM YILINDA OKULUMUZDA YÜRÜTÜLMEKTE OLAN ETWINNING PROJELERİ:

1) BEYOND THE WAVES:

PROJECT ● Active

Beyond the Waves

This project fosters environmental awareness by focusing on the critical issue of water pollution. We will also integrate topics about responsible citizenship, empowering students to become active advocates for sustainability. Through creative and collaborative activities, such as role-playing as marine life, exploring ecosystems, and designing campaigns, students will gain a deeper understanding of environmental challenges and develop the skills to make a positive impact.

Proje ortaklarımız: Türkiye, Portekiz, İtalya ve Polonya'dır. Okulumuz İngilizce Öğretmeni Deniz Şengül tarafından yürütülmektedir.

2)DIGITAL MINDS CONNECTE LIVES:

PROJECT ● Active

Digital Minds Connected Lives

This six-month eTwinning project focuses on empowering students to become responsible, ethical, and skilled digital citizens. Through collaborative activities, students will explore topics such as online safety, digital literacy, netiquette, and disinformation. By fostering intercultural collaboration, the project will develop critical 21st-century skills while promoting respect, safety, and accountability in the digital world.

PROJE ORTAKLARIMIZ: Projemiz Türkiye, Gürcistan ve Fransa ortaklıdır. Okulumuz İngilizce Öğretmeni Deniz Şengül tarafından yürütülmektedir.

Her iki projemiz yeni başlamış olup. Halen devam etmektedir.
